Application for Home Improvements and Modifications

In an effort to provide and protect each individual homeowner's rights and property values, it is required that any homeowner(s) considering improvements and/or changes to their home or property submit an **"Application for Home Improvements and Modifications"** to the Design Review Committee. If any change is made that has not been approved, per the governing documents, the HOA may require an owner to change or remove an improvement. ***In addition, plans, sketches, drawings, illustrations, photographs, dimensions, and material samples should be provided to sufficiently describe the project in detail.***
